£100

ParkingEye Ltd (Company No: 5134454) is authorised by the landowner to operate this private car park for and on its behalf. We are not responsible for the car park surface, damage or loss to or from motor vehicles or general site safety. Parking is subject to the terms and conditions that apply and are set out within this notice (the "Parking Contract"). By parking, waiting or otherwise remaining within this private car park, you agree to comply with these terms and conditions (the "Parking Contract") and are authorised to park only if you follow these correctly, including making payment where directed, entering your registration details via the payment and/or permit systems. If you fail to comply, you accept liability to pay the fee for unauthorised parking (the "Parking Charge"). This Parking Contract shall form the entire agreement between the parties. Any proposal to waive any part of this Parking Contract shall not be valid unless confirmed in writing by ParkingEye Ltd. By entering this private car park, you consent, for the purpose of car park management to: the capturing of photographs of the vehicle and registration by the ANPR cameras and/or by the attendant and to the processing of this data, together with any data provided by you or others via the payment or permit systems; correspondence; telephone; or in person, by ParkingEye Ltd and any authorised sub-contractor to check compliance with the Parking Contract. Furthermore, you consent to the processing of this data to request registered keeper details from the DVLA, where the Parking Contract is not adhered to and a) enforcement is undertaken remotely via ANPR; or b) the Parking Charge notice is issued manually by the attendant, but remains unpaid. Parking Charges incurred: a) will be notified to the registered keeper by post, where the ANPR system identifies non-compliance with the Parking Contract, and may be re-issued to the relevant driver on receipt of the driver's valid name and address; or b) will be notified to the driver, where an attendant identifies non-compliance with the Parking Contract, and may subsequently be notified to the registered keeper. Personal data may also be shared with the BPA, POPLA, mail service providers, credit reference agents, collection agents or solicitors for this purpose and any authorised sub-contractors. A reduction of at least 40% of the Parking Charge will be available for a period of 14 days. Failure to pay the Parking Charge within this period will result in the full amount becoming payable. Where Parking Charges remain unpaid beyond 28 days, recovery charges in respect of further action may apply. A charge reflecting the cost to ParkingEye may apply for payments made with a credit/debit card.
